

Application for Freight Assistance/Sponsorship

Sea Swift encourages and supports projects, activities and events which strengthen the communities we service. Sea Swift considers applications from not for profit community organisations and causes which focus on initiatives in the following areas:

1. Arts & Cultural Events

- Sea Swift respects the importance of cultural and artistic expression as being part of a community's identity and heritage which is to be celebrated now and passed down to future generations.

2. Environmental Conservation

- Sea Swift supports groups which place the same importance on looking after the environment as we do.

3. Community Wellbeing

- Sea Swift is a strong advocate for programs which supports disadvantaged community members and/or the youth. The youth are our future and Sea Swift is committed to assisting the growth of this cohort wherever possible.

4. Community Enterprise

- Sea Swift is committed to encouraging and supporting community enterprise especially when it is getting up and running.

5. Community Events

- Sea Swift understands the importance of sporting and social events as crucial to the fabric of the community and its identity.

Terms & Conditions

The applicant understands that should this application be successful, any freight carried will travel under our normal Terms & Conditions as found on the back of our consignment note and via our website www.seaswift.com.au. Any losses or damages will not be covered by Sea Swift and it is Sea Swift's advice that private transit insurance be taken out. It is the applicant's responsibility to ensure they have adequate cover through their insurer or broker. Sea Swift will require you to sign a waiver for all freight.

Sea Swift receives a high volume of freight assistance requests every year and whilst it is not possible to support every application, Sea Swift provides special attention to those requests which fall under the five areas listed and especially those which 1: cover multiple areas, 2: have a large benefit to the community and 3: recognise Sea Swift's input.

Sea Swift will contact you at all stages of the process (If approved) to ensure everything is prepared and delivered from both parties. If the measurements of the goods received vary to the measurements on the approved application, Sea Swift reserves the right to charge freight costs and/or decline the sponsorship costs.

Sea Swift will respond to your request within 14 days from the end of the week that it is received.
